FAQ

Q: What is your style of matric dance hair and makeup?

A: My style is soft, polished, and age-appropriate, enhancing natural features while still feeling special, confident, and photo-ready for this milestone event.

Q: Should I book a trial before my matric dance?

A: A trial is optional but recommended if you want to test a specific look and are unsure.

Q: How long does matric dance hair and makeup take?

A: Allow approximately 1.5–2 hours for both hair and makeup, depending on the look and hair length.

Q: Do you offer mobile services?

A: Yes, hair and makeup can be done at my home-based salon or on location. Travel fees may apply. Please see above for more details. Beauty treatments are done at my salon.

Q: How does dermaplaning help before my matric dance?

A: Dermaplaning smooths the skin and removes peach fuzz, allowing makeup to apply flawlessly. It's ideal 1–2 weeks before the dance.

Q: Why is brow lamination a good pre-matric treatment?

A: Brow lamination shapes and sets brows for a fuller, neater look, reducing the need for heavy brow makeup and lasting throughout the event.

Q: Should I get a lash lift or eyelash extensions?

A: A lash lift is perfect for a natural, mascara-free look, while eyelash extensions add extra glam and eliminate the need for false lashes. Both enhance the eyes beautifully for photos.

Q: Is a spray tan recommended for matric dances?

A: Yes! A spray tan evens out skin tone and gives a healthy glow that photographs beautifully. It's best done 2 days before the event.

Q: When should I book these treatments?

A: Plan dermaplaning 1–2 weeks before, brows and lashes 5–7 days before, eyelash extensions 2–3 days before, and your spray tan 2 days before the dance.
